RENEWED PETITION UNDER 37 C.F.R. 1.137(b)

Mail Stop PETITION

Commissioner for Patents

P.O. Box 1450

Alexandria, Virginia 22313-1450

January 15, 2008

Sir:

In response to the Decision on Petition to Revive Unintentional Abandonment under 37 C.F.R. 1.137(b) dated December 25, 2007, Applicant respectfully requests that the Examiner reconsider his decision dismissing the Petition to Revive based upon unintentional abandonment in view of the attached materials and the following remarks.

It should be noted that contrary to the statement in the last full paragraph on page 1 of the Decision, the undersigned did in fact make the statement that the entire delay was unintentional in the Petition filed July 12, 2007.

The facts to support petitioner's statement that the abandonment was unintentional are as follows:

1. The above-identified application was filed on March 5, 1999.
2. On or about May 22, 2001, the undersigned submitted by e-mail a spreadsheet listing all cases which were to be associated with Customer Number 004372 and in which the undersigned's address was to be changed. Attached as Exhibit A is page 14 of this spreadsheet where the subject application is listed. The undersigned's new address and Customer Number Record change was of record under Customer Number 004372 as of January 31, 2001, a copy of the Notice of Customer Number Record Change is attached as Exhibit B.
3. An Office Action was issued on August 14, 2001, and a response to this Office Action was filed on November 13, 2001. Copies of these documents are not attached.

4. Receiving no response or further action from the Patent and Trademark Office in response to Item #3 above, on January 16, 2003, a Request for Status and Notification of Change of Name and Address were filed. Attached hereto as Exhibit C is a copy of the Request for Status and Notification of Change of Name and Address, along with a copy of the stamped postcard receipt.
5. Still receiving no response or action from the Patent and Trademark Office in response to either Item #3 or Item #4 above, a Second Request for Status was filed on May 17, 2004. Attached hereto as Exhibit D is a copy of this Second Request along with a copy of the stamped postcard receipt.
6. Still not receiving a response or action from the Patent and Trademark Office, a Third Request for Status was filed on November 18, 2004. Attached hereto as Exhibit E is a copy of this Third Request along with a copy of the stamped postcard receipt.
7. On April 25, 2005, the undersigned filed a Petition to Withdraw the Holding of Abandonment and a Notification of Change of Name and Address. Attached hereto as Exhibit F is a copy of this Petition to Withdraw and Notification of Change of Name and Address along with a copy of the stamped postcard receipt.
8. On April 21, 2006, a Change of Correspondence Address was facsimiled to the Patent and Trademark Office. Attached hereto as Exhibit G is a copy of the facsimile transmission sheet and the transmission acknowledgement sheet.
9. On April 26, 2006, the undersigned received a telephone call from Ms. Zele of the Petitions Office requesting that we provide copies of the Petition to Withdraw the Holding of Abandonment with attachments and the Notification of Change of Name and Address filed on April 25, 2005. The undersigned provided these to Ms. Zele by facsimile. Attached hereto as Exhibit H is a copy of the facsimile transmission sheet and the transmission acknowledgement sheet.
10. On September 5, 2006, the undersigned file a Fifth Request for Status. Attached as Exhibit I is a copy of the Fifth Request along with a copy of the stamped postcard receipt.
11. On March 9, 2007, the undersigned filed second Fifth Request for Status. Attached as Exhibit J is a copy of the second Fifth Request for Status along with a copy of the stamped postcard receipt.
12. On June 27, 2007, the undersigned was sent a PTO Letter which was in response to the Request for Status of March 9, 2007. In the Letter, the Petitions Examiner forwarded a copy of a Decision on Petition dated June 8, 2005, in which the Petitions Examiner denied the Petition to Withdraw the Holding of Abandonment filed April 25, 2005. The undersigned notes that the Decision on Petition dated June 8, 2005, was sent to the undersigned's old address despite the numerous change of name and address notifications that had been filed with the Patent and Trademark Office prior to June 8, 2005. Attached as Exhibit K is a copy of the PTO Letter and Decision on Petition.

13. In response to this PTO Letter, the undersigned submitted the Petition for Revival of an Application for Patent Abandoned Unintentionally Under 37 C.F.R. 1.137(b) and Issue Fee Transmittal on July 12, 2007. Attached as Exhibit L is a copy of the Petition for Revival and Issue Fee Transmittal w/stamped postcard receipt.

It should also be noted that until the issuance of the PTO Letter of June 27, 2007, this application was not available in either Public PAIR or Private PAIR. Consequently, there was no way for the undersigned to check the actual record.

As can be seen in reviewing the facts outlined above, the undersigned advised the Patent and Trademark Office of its change of name and address several times by various means, however, it appears that this change of name and address was not entered in the above-identified application. It is also respectfully submitted that the undersigned was diligent in its efforts to obtain information as to the status of the subject application. It is therefore submitted that revival of the subject application based upon unintentional abandonment is proper and that this petition should be granted.

In the event that any fees are due with respect to this paper, please charge our Deposit Account No. 01-2300, referencing Atty. Docket No. 107156-09007.

Respectfully submitted,

PETITION TO WITHDRAW THE HOLDING OF ABANDONMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

April 25, 2005

Sir:

During a telephone inquiry with Examiner Yenke on April 19, 2005, it was discovered that the above-identified application has been abandoned for failing to pay the Issue Fee in response to the Notice of Allowance dated September 3, 2001. The failure to respond to the Notice of Allowance resulted from the non-receipt of the Notice of Allowance by the undersigned.

On March 6, 2000, Applicant's attorneys relocated to a new address in Washington D.C. The United States Postal Service had been instructed to forward all mail to the new address. However, it appears to not have been the case in this application. In addition, the undersigned submitted by e-mail on or about May 22, 2001, a spreadsheet listing all cases which were to be associated with Customer Number 004372 and in which the undersigned's address was to be changed. Enclosed is a copy of page 14 of the spreadsheet where the subject application is listed. The undersigned's new address was of record under Customer Number 004372 as of January 31, 2001 (a copy of the Notice of Customer Number Record Change is

enclosed). However, for the Examiner's convenience, attached hereto is a Notification of Change of Name and Address for the subject application.

Applicant respectfully submits that the Notice of Allowance dated September 3, 2001, was never received by the Applicant's undersigned representative and that the withdrawal of the abandonment of the above-identified application is proper. Therefore it is respectfully requested that the abandonment be withdrawn, the application returned to pending status, and a new Notice of Allowance be issued.

In the event that any fees are due with respect to this paper, please charge our Deposit Account No. 01-2300, referencing Atty. Docket No. 107156-09007.

WASHINGTON DC 20005-5701

In re Application of

Application No. 09/262,595
Filed: March 5, 1999
For: **METHOD FOR INTERPOLATING A VIDEO
SIGNAL**

This is a decision on the petition to withdraw the holding of abandonment filed April 25, 2005, pursuant to 37 CFR § 1.181 (a). No fee is required.

The application was held to abandoned for failure to timely pay the issue fee in response to the Notice of Allowance mailed December 3, 2001. A Notice of Abandonment was mailed May 2, 2002.

Petitioner states that applicant's attorneys relocated to a new address on March 6, 2002 and waited over a year to file a change of address via e-mail, expecting that the United States Postal Service would forward the mail to the new address. Petitioner provides as support a Notice of Customer Number Record Change, an e-mail from the Office indicating that there were questions with respect to some "questionable" applications and that a spreadsheet was attached to the e-mail requiring applicant's attention with respect to those "questionable" applications. Petitioner also provides page 14 of that spreadsheet to allege support for the assertion that a correspondence address change for the subject application.

A review of the file record and the subject petition reveals that the subject application was not associated with a customer number when it was filed. Petitioner states that an e-mail was sent to the Office requesting association of a spreadsheet of cases with a customer number. Petitioner did not provide a copy of the initial e-mail request in order to ascertain what was requested or a copy of the original spreadsheet which would confirm the request with respect to the applications listed in said spreadsheet. Instead, the evidence submitted by the petitioner included a copy of an e-mail response from the Office and a copy of page 14 of the spreadsheet which accompanied the Office's e-mail, which states that there were questions with respect to the subject application and requested a response. The subject petition did not include any evidence of a response to the Office's request.

Therefore, the petition merely presents an allegation of requesting association of the subject application to a customer number and the change of correspondence address with respect to the customer number. Had applicant's request for association of the subject application to a customer number been improper, which the e-mail response from the Office appears to suggest, then the application would not have been associated with a customer number. Petitioner's evidence is found to be lacking to show otherwise.

Accordingly, the petition is **DENIED**.

Any request for reconsideration must be submitted within TWO (2) Months from the mailing date of this decision. Extensions of time under 37 CFR 1.136(a) are not permitted. The reconsideration request should be a cover letter entitled "Renewed petition to Withdraw the Holding of Abandonment." This is not a final agency action within the meaning of 5 USC 704. Petitioner may wish to consider filing a Petition to Revive an Abandoned Application under 37 CFR 1.137.

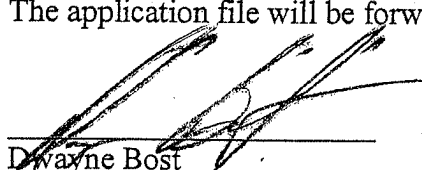

It is further noted from the file record that the applicant timely filed an amendment after non-final Office action on November 13, 2001. If applicant(s) do not timely receive a response to their amendment, applicant(s) should inquire as to the status of the application in accordance with MPEP §203.08.

MPEP §203.08 [R-2] Status Inquiries, states in part:

II. < AMENDED APPLICATIONS

Amended applications are expected to be taken up by the examiner and an action completed within two months of the date the examiner receives the application. Accordingly, a status inquiry is not in order after reply by the attorney until 5 or 6 months have elapsed with no response from the Office.> However, in the event that a six month period has elapsed, and no response from the Office is received, applicant should inquire as to the status of the application to avoid potential abandonment. Applicants are encouraged to use PAIR to make status inquiries. See subsection III below.< A >stamped< postcard receipt for replies to Office actions, adequately and specifically identifying the papers filed, will be considered prima facie proof of receipt of such papers. >See MPEP § 503.< Where such proof indicates the timely filing of a reply, the submission of a copy of the postcard with a copy of the reply will ordinarily obviate the need for a petition to revive. Proof of receipt of a timely reply to a final action will obviate the need for a petition to revive only if the reply was in compliance with 37 CFR 1.113. [emphasis added]

The application file will be forwarded back to the file repository.
